EXPERIENCE (4+ YEARS)

Tictaps <i>Digital & Product Designer — Freelance · Amsterdam</i> Mobile gaming startup — full UI redesign of iOS/Android app ahead of official launch. Tech: Figma, Figma Variables, Dev Mode, Webflow – Redesigned 50+ screens — user flows, screen architecture, and visual design system for iOS and Android. – Accelerated engineering handoff building Figma components with variables and Dev Mode. – Designed full App Store asset suite; built responsive Webflow landing page ahead of launch.	Feb 2026 – Present
Readymag <i>Digital & Product Designer — Contract · Remote</i> Product UI and marketing design for a professional web design platform used globally. Tech: Figma, Design Tokens, Figma Variables, Dev Mode, Readymag – Redesigned editor UI components — menus, panels, workspace features — applying WCAG accessibility standards. – Scaled Figma component library by 30–40 components using design tokens, cutting engineering handoff time. – Built typography-heavy landing pages and interactive onboarding templates within the platform.	Jan 2026 – Apr 2026
SVG Group Ltd <i>Digital Designer · London & Amsterdam</i> End-to-end digital design for 10+ startups across fintech, real estate, hospitality, and education. Tech: Figma, Framer, Webflow, Adobe Creative Suite, AI workflows – Delivered 3 projects/month — responsive websites, UI systems, and campaigns across multiple sectors. – Built modular design systems and Figma component libraries; integrated AI workflows to cut asset production time. – Collaborated cross-functionally with developers and marketing teams throughout full project cycles.	Sep 2024 – Dec 2025
Future PLC <i>Digital Designer (Promoted from Intern) · London</i> Mid-weight designer in Creative Solutions across Homes & Gardens and Decanter. Tech: After Effects, Adobe Creative Suite, Figma – Promoted from intern within 4 months; owned design across 3 major editorial campaigns. – Produced 50+ assets per campaign — rich media ads, motion banners in After Effects, branded content. – Collaborated cross-functionally with editorial, sales, and production; contributed to pitch proposals.	Jun 2024 – Jan 2025
Freelance Digital Designer <i>Self-employed · Remote / Europe</i> Independent practice for startups across fintech, education, wellness, and lifestyle. Tech: Figma, Adobe Creative Suite, Webflow – Designed websites, brand identities, and campaigns for 15 clients — high rate of repeat referrals. – Delivered wireframes, prototypes, and Figma files for projects across UK, Netherlands, Italy, Bali, Spain.	Nov 2021 – Jun 2024
Istituto Marangoni London / Regent's University <i>BA (Hons) Visual Design — First Class Honours · London</i> Recognition: Featured Designer, Momentum Exhibition — Design Museum London (2024) · Project of the Year — Istituto Marangoni (2024)	2021 – 2024
